MANTRA PHARMA BECOMES A MAJOR PLAYER IN THE GENERIC DRUG SECTOR

Brossard, May 28, 2018 – Recognized as an important distributor of pharmaceutical products in Quebec, Mantra Pharma announces the end of its exclusive distribution contract of Ranbaxy Pharmaceutical products. After twelve years of collaboration, both entities agreed by common accord to terminate the distribution contract which expires May 31, 2018. We express our sincere thanks to Ranbaxy Pharmaceuticals for the trust it has placed in Mantra Pharma throughout those years.

Mantra Pharma keeps pace with the changes to gain greater control over its destiny. The Quebec company will continue to extend the range of brand  products, through clearly identified quality product offerings that satisfy the needs of customers and pharmacists. Adding to its variety of creams and natural health products (NPN) available on the market, Mantra Pharma now offers more generic pharmaceutical products (DIN).

To complete this offer, we are proud to have the following partners:

Furthermore, with the recent acquisition of *L'appui et le beau temps*, Mantra Pharma provides pharmacists with optimization and training solutions in pharmacy management to facilitate the workflow.

With its extended range of  products and unique support solutions, Mantra Pharma is positioned, more than ever, as a leader in the pharmaceutical industry. Founded in 2006, the company hires more than 50 employees at its headquarters in Brossard and Lévis offices.

Please do not hesitate to contact us if you should need any information.
